

LUNN'S CERTIFIED AS A GREAT PLACE TO WORK!

Huge congratulations to Houlden Member Lunn's the Jewellers who recently announced that it has been certified as a Great Place To Work!

This recognition is a testament to the culture Lunn's has built - one that fosters teamwork, growth, and a commitment to excel.

The Northern Irish jeweller with over six decades of rich heritage takes immense pride in not only delivering great customer experiences but also in creating an inclusive and supportive environment for its employees.

Great Place To Work surveyed over 250,000 employees to determine the very best companies recognised as the 2024 UK's best workplaces. These top workplaces set the bar high for trust, respect, credibility, fairness, pride and camaraderie. At Lunn's, 87% of employees said it is a great place to work, compared with 54% of employees at a typical UK based company.

Click here for more info about Lunn's and how it achieved this certification.
